

## How to Apply

Not everyone may be gifted in working with children, youth, and young families, but if this is your gift, we would love to hear from you. Here's all we ask of you:

1. Complete your Resume
2. Prepare a statement about your conversion experience or a statement about your call to the ministry.
3. Email your resume and statement to [Lauren7600@comcast.net](mailto:Lauren7600@comcast.net).

Easy as 1, 2, 3!

### What happens next?

Someone from our Associate Pastor of Family Ministries Search Committee will review your resume and statement and should it meet the qualifications, you will be contacted. So, don't forget to include your telephone number and email address.

Pray that God directs your path, should you be the person He is calling to Northside Baptist Church. Pray for our church as we listen for His guidance of finding the one that He is calling.
